

HEAD OF SCIENCE

APRIL 2019

TLR 1B £9,667

Laureate Academy, part of Future Academies, seeks an experienced, inspirational leader confident in their subject with vision and drive to motivate and enthuse staff and pupils. The Science department is a collaborative and experienced team, the department are passionate about embedding an academically rigorous curriculum and assessment model across key stages.

At Laureate Academy we are developing an academic culture where the highest standards are expected of staff and students. It is a dynamic and demanding school and one where students and staff are exceptionally well supported.

We can offer you:

- A supportive, cohesive and very purposeful environment.
- The opportunity to work within an innovative and ambitious family of schools.
- The opportunity to work with enthusiastic and hardworking pupils.
- High quality facilities with excellent resources.
- Excellent CPD and opportunities for swift career progression, within the Academy and Trust.

You will be:

- Passionate about Science and have excellent academic qualifications and thorough subject knowledge.
- Aligned with our educational vision and committed to a knowledge-led curriculum, with high ambitions for pupil attainment.
- An inspirational leader, with the capacity to develop excellence in others.

To apply, please download the information, or visit our website on www.futureacademies.org Please send the completed application form and supporting letter to enquires@laureateacademy.org.uk

Please note that Future Academies reserves the right to appoint at any stage during the recruitment process.
